RULLING GIVEN BY THE SPEAKER ON 14THE AUGUST, 1969
(EVENING SITTING)REGARDING ADMISSIBILITY OF CENSURE
MOTION AND DISCUSSION THEREON

I think, we have now discussed this matter a great deal. The issue is being made so complicated that I am even hesitant to give a ruling today. But since we have already gone thought this affair for a length of time, I think I would be wasting a lot of time of this House if I reserve my ruling for another day. To my mind, I should normally go by very simple rules and code of behavior. The thing is that the House is the master of itself. It can decide whatever it likes. Its action cannot be questioned anywhere. Of course, we cannot do anything against the Constitution, but the fact remains that the House is the master of itself. I can only say that the motion of the adoption of the business for today was moved by our Finance Minister Sahiba and was approved by the Hose, which contained 'Censure Motion' as the last item. So, I am afraid, the House has already taken a decision in regard to the Censure Motion, and it will be taken up today.

RULLING GIVEN BY THE SPEAKER ON 14THE AUGUST, 1969
(EVENING SITTING)REGARDING DISCLOSURE OF IDENTITY
OF A PERSON WHOSE NAME BE REFERRED TO BY A

MEMBER IN CONNECTION WITH TAPE RECORDED TALK OF
CH. KHURSHED AHMED

I hope the hon. Members have heard everything. I would now give my ruling on this subject. The conduct of an hon. Minister is involved. We are being told that two persons are talking. One is the hon. Minister himself. The other name given is Dharam Pal, but his identity has not been disclosed. I cannot, therefore, allow this evidence to be read any further. In fact, an objection to this should have been raised in the very beginning.

RULLING GIVEN BY THE SPEAKER ON 14THE AUGUST, 1969
(EVENING SITTING)REGARDING THE PLAYING OF TAPE
RECORDER IN THE HOUSE

A very important point has been raised by the hon. Minister. I knew that you had asked about this tape record to be played and I myself had gone to Delhi a few days ago to discuss with the authorities concerned about this matter. We have got references in writing even from Bombay Legislative Assembly, from the Lok Sabha and from the Institute of Constitutional and Parliamentary Studies and so on. Now they say if you want the whole thing to be brought in that the tape cannot be played here. But we can appoint a committee perhaps headed by the hon. Deputy Speaker, one Member from the Treasury Benches and one Member from the Opposition

Bench and we can take a gist or complete verbatim talk prepared. Then both the tape and the thing prepared by the committee becomes the property of the House. But unless either the tape is allowed to be played here, and at one time it was about to be agreed or this committee takes that evidence, the tape cannot become the property of the House.

RULLING GIVEN BY THE SPEAKER ON 14TH AUGUST, 1969
(EVENING SITTING)REGARDING IN RESPECT OF THE
GOVERNOR IN A SPEECH BY AN HON. MEMBER

All that has been said about the Governor, will be removed from the proceeding. In fact, it will be in the fitness of things that no reference is made to the Governor. Anyhow, whatever has been said about the Governor and the conversation, must not form part of the proceedings.

RULLING GIVEN BY THE SPEAKER ON 14TH AUGUST, 1969
(EVENING SITTING)REGARDING DISCUSSING THE NAME OF
AN OFFICER BY CH. RANIBRI SINGH BY DRAWING
INFERENCE FROM THE TAPE RECORDED DIALOGUE

Well the point is if he does not give reasons, for example, earlier on Ch. Ranbir Singh had given in his inference after a certain dialogue, then you really cannot object because it is reasonable assumption; because of the conversation. If this conversation is not correct then naturally you can't say he was there. But if we accept what Mahant Ganga Sagar ji has said is correct, then the inference is not wrong.

RULLING GIVEN BY THE SPEAKER ON 14THE AUGUST, 1969
(EVENING SITTING)REGARDING INSINUATION AGAINST AN
HON. MEMBER.

As per rules, no isinuation can be brought against him at the moment unless there is a Privilege motion agaisnt him. So unless there is a Privilege or substantive motion against him. So, unless there is a Privilege or substantive motion against him, no insinuation, as per Rule 100(vi) can be made agaisnt him.

RULLING GIVEN BY THE SPEAKER ON 12THE AUGUST, 1969
(EVENING SITTING)REGARDING ADMISSBILITY OF
AMENDEMENT FOR WHICH NOTICE FOR TOW DAYS WAS NOT
GIVEN WHICH WAS ESSENTIAL TO CARRY OUT OBJECTS OF
THE BILL AS REQUIRED UNDER EXPLANATION i OF FULE 158

(1)

Let us review the whole thing. What had happend was that a Member had introduced an amendement while we were considering this Bill clause by clause and he had not given tow days notice. That was accepted and made per of the Bill. The same member, after a while, brins antohter amendement and that earlier on he gave a notice of one hyour I don't know what the exact period was, but less than two days. In this case written notice of 20 or 15 minutes was given

and that got challenged. So when we have accepted his earlier amendemtn? If your remember, Rao Sahib had raised only one point and, that was: he did not give notice of that amendment. Then I was informed by my Secretary that the notice in case of this amendment also had been received 15 or 20 minutes beofer. Therefore, there was no option for me but to accept the second amendment. I gave my ruling and the then every body appeared to be satisfied. But now other issues are being raised. I ahve given any ruling and I don't think that nay member should now raise discussion on it any further.

POINTOF ORDER AND DECISION THEREON

1. Wheter motion of No-Confidence should be taken up after the question hour under rule 65 of the Rules of Precedure and Conduct bo Business ?

The hon. Speaker observed that ho. Members would recall that las time which such situation had arisen then no other business was taken up except for obituary refernces. Therefire, it was proper if the House had taken up except for obituary references. Therefore, it was proper if the House had taken upt the motion of No-Confidence on the next day. (This point of order was raised by Shri Mangar Sein on 11th August, 1969 when obituary references were being made).

2. Whether an amendement can be moved of which no totice has been given and which has also not been cirulated ?

The Spekar observed, that as far as the amendement was concerned, it was in order under rule 158 (1) Explanation 3 which reads as under :

"Nothing in theis clause shall be construed as preventing any Minster or member in-charge of a Bill from moving an amendement at any time during the consideration of the Bill clause by clause. "

[The above point of order raised by Dr. Managal Sein when Shri Daya Kriswhan moved his amendement in regard to Punjab Legislative Assmebly (allowances of members) Haryan amendment Bill].

3. Whether the speaker can pre-pone the sitting after he has adjourned the House till 2.00 P.M. ?

The Speaker observed that he had got unquestionable authority in such matters (This point of order was raised by Shjri S.P. Jaiswal on 13th August, 1969).

4. Whether the time of the sitting of the House could be preponed by the Speaker keeping in view the interest of the Ministry or it could be done only in the public interest ?

The Speaker observed that there was no doubt that there were too vast powers with him in the Rule - "Unless the Speaker otherwise directs" and the hon. members were not averse to the two sittings therefore, it was left to him as to what course should be adopted. (On 13th August, 1969 Chj. Mukhtiar Singh and Roa Birender Singh raise dthis point of order).

5. Whether any hon. Member could give information through a question instead of eliciting information ?

The Speaker observed that question were asked to elicit information but, if by chance some point was not clear the questioner could get it amplified or cleared by giving some information just to get the answer he wanted. So, he did not think, that proper to be rigid on that matter. The hon. Member was saying all this with a view to elicit more information. (On 14th August 1969 Ch. Ranibir Singh raised this point of order).

6. Whether a Member can refer to a Member by name ?

The Speaker observed that the hon. members of one side has been making references to individuals off and on. Although, he agreed that constant reference should not be made to an hon. member yet if there was occasional reference to the name of Member then it could be done. (On the 14th August 1969 Ch. Chand Ram raised this point of order).

7. Whether it is necessary or not for a member who has quoted tape recorded talk between two persons, to disclose the identity of those persons ?

The Speaker observed that he entirely agreed that the House must be assured who that other gentleman Dharam Pal was ? Unless he told them they would not be able to decide whether he was a Government Servant or otherwise. So he thought that was only fair. After all that Dharam Pal was talking to a Minister, a public man and there politics was also involved. If he was a Government Servant he would not be able to defend himself in the House. The House could only go further if it was told who that Dharam Pal was ? (On 14th August, 1969 the Chief Minister raised this point of order).

8. Whether or not the tape recorder once played in the House became the property of the House?

The Speaker observed that he agreed that if the tape recorder was used there that would certainly become the property of the House. But you will agree that if he allowed that if he allowed that, it would become a precedent. The opposition asked for a permission to pay the tape recorder in the House. But he was afraid that that could not be given

under the rules. (On 14th August, 1969 the Finance Minister raised this point of order).

9. Whether or not the matter which is read from the tape record could be treated as property of the House ?

The Speaker observed that the document that the hon. Member reading had in his hand and up to the stage it had been read by him had become the property of the House. (On 14th August, 1969 the Finance Minister raised this point of order.)

10. Whether a member could be forced to give information beyond which he did not like to give ?

The Spekaer observed that so far as he had been able to find out, he could not force a member to give certain information. He further observed that if somebody could find out the Rule, he was open to coviction. (On 14th August, 1969 Rao Birender Singh raised this point of order.)

11. Whether a question can be asked from an hon. member by some other member when one of them was making a speech.

The Speaker observed that it appears a question had been asked about some other hon. Minister, I think, it was unfair that some body asked a question. I could not hear it. But the name was given. So that will be expunged from the proceedings. (On 14th August, 1969 Shri Poswal raised this point of order.)

12. Whether the matter published in news papers and posters could b discussed in the House ?

The Speaker observed that whatever applied to the news items, also applied to the posters. (On 14th August, 1969 Shrimati Chandravati raised this point of order

13. Whether the names of outsiders could be mentioned in the speeches ?

The Speaker observed that normally no outsider could be quoted. But if private persons in whose respect a member took responsibility about facts, they could be mentioned there (On 14th August, 1969 Chief Minister raised this point of order).
